

Discover a fantastic opportunity in Glenwood (4570) with this fully fenced, screened steel frame brick home on approximately 10,000m². Nestled on a bitumen front road, this property offers a beautiful rural setting complete with a dam.

Convenience is key, with travel times of 30 mins to Gympie, 45 mins to Maryborough, and 40 mins to Tin Can Bay.

Inside, the home features 4 bedrooms (2 with walk-in robes), an ensuite, and a spacious undercover barbecue area. Enjoy modern amenities like solar panels and a new electric hot water system. Stay connected with the installed Telstra aerial for improved phone and internet reception.

Experience comfort year-round with reverse cycle air conditioners in the main living area, main bedroom, and guest bedroom, complemented by fans in the remaining bedrooms. The kitchen boasts electric appliances, including a dishwasher, and has been modified to create an open plan with an island bench, enhancing the user-friendly living area.

Additional highlights include a large double lock-up garage with roller doors and a whirlybird, accompanied by a carport and a smaller garden shed. The environmentally conscious Taylex Home Sewage Treatment has had its pump and aerators recently updated.
